

Dear Parents and Swimmers,

Tuesday

All sessions are cancelled – morning and evening due to a swimming gala and water polo tournament. This includes County, Regional (both) CDT and Masters. Sorry for the late notice, the message went astray in the changeover!

Ealing

Thank you to everyone who helped and made this a successful weekend. As usual it was hot and humid by the pool, so thanks to our timekeepers and whips; Sue Heenan, Nicola Thexton, Lorin McCrystal, Chris Boyle and Dan Caprera. Thank you also to our coaches: Damien Bryan, Tom Mallet and Milton who worked hard to keep everything running smoothly. Some fantastic swims were swum and some last minute County Times achieved. Which takes me nicely onto....

Surreys

A reminder that, we **have** to put these in next week! It will be a fast turnover due to Ealing being so near to the closing date. We will send out the eligibility reports today. They need to be sorted and paid for by - **Wednesday 6th Feb** in order to send them in on time.

You will need to send the replies to the coach that sent you the eligibility report and in addition they must be sent to Mark Thomson

Minutes

We will be publishing minutes from our meetings as promised. We want to put these on the website, however, we need to find a way of making a secure area on the site so that these can be restricted to club members only.

Kind Regards
